

Intro Video: This [video](#) presents three quick tips for educators implementing the sounds-first activities in the TN Foundational Skills Curriculum Supplement.

The videos below show sounds-first activities in the context of kindergarten and grade 1 lessons. Additional videos showing pre-K and grade 2 contexts are forthcoming.

Kindergarten	Grade 1
<p>Mix It Up: A teacher models the sounds-first activity Mix It Up in the context of two kindergarten lessons, one from earlier in the year and one from a bit later.</p>	<p>Mix It Up: A teacher models the sounds-first activity Mix It Up in the context of a Grade 1 lesson.</p>
<p>Word on a Curve: A teacher models the sounds-first activity Word on a Curve in the context of an early kindergarten lesson.</p>	<p>Word on a Curve: A teacher models the sounds-first activity Word on a Curve in an early grade 1 lesson where students delete the onset.</p>
<p>Word on a Curve: A teacher models the sounds-first activity Word on a Curve in a kindergarten lesson where students change the ending sound.</p>	<p>Change the Sound: A teacher models the sounds-first activity Change the Sound to Make a New Word in using two-syllable words.</p>
<p>Word on a Curve: A teacher models the sounds-first activity Word on a Curve in a kindergarten lesson where students change the initial sound.</p>	
<p>Word on a Curve: A teacher models the sounds-first activity Word on a Curve in a kindergarten lesson where students silence the ending sound.</p>
